

## COVID-19 COMMUNICATION UPDATE (9/13/2021)

As you know, the pandemic remains a serious concern – and one that is being played out in many communities, hospitals and nursing homes across the country.

Please be assured that we remain committed to providing upfront and transparent information regarding COVID-19 in our facility. We will continue to host video conference calls on Wednesdays so that you remain as up to date as possible. Rest assured that our staff remains vigilant and supportive of our residents and each other, and we are so proud of their loyalty and dedication!

Testing of unvaccinated staff members was completed this week and yielded no positive test results. Additional testing of new and readmitted residents will continue per regulatory guidelines.
